

**Stay connected with family and friends during a serious medical condition, treatment and recovery.**

**CaringBridge is easy...fast...free...personal...powerful.**

CaringBridge® provides free, private, personalized websites for easier communication with family and friends during a serious medical condition, treatment and recovery. Our mission is to bring together a global community of care powered by the love of family and friends in an easy, accessible and private way. CaringBridge is a nonprofit 501(c)(3) organization.

## CaringBridge ...

... a place to set up **your own unique, personal website**

... makes it **easy for your friends and family** to stay connected

... a place for you to get **support, love and encouragement** from the people who matter most

... **one place for you to update** and share important information with everyone who wants to know

## How it works:

- 1 From any computer with access to the Internet, go to [www.nacba.net/caringbridge](http://www.nacba.net/caringbridge)
- 2 Click on **“Create a CaringBridge site”** and follow the easy directions
- 3 Tell your **friends and family** about your CaringBridge website
